Saraswati Vidya Mandir S S SCH Rambagh Basti UP

EXPERIENCE

Full Stack Web Development Trainee (Python)

Sep 2025 – Mar 2026

Barrownz Learning Academy

- Completed internship training in **Full Stack Web Development using Python**, gaining practical exposure to website design and development.
- Developed and contributed to multiple **web-based projects**, enhancing skills in frontend, backend, and responsive website creation.
- Learned industry-relevant development practices, debugging techniques, and project implementation for real-world applications.

PROJECTS

Velora Shopping E-Commerce Website

🌐 Live Demo

- Developed **Velora Shopping**, an e-commerce website with modern UI, product display sections, and responsive shopping experience.
- Implemented interactive design, smooth navigation, and mobile-friendly layouts for better usability across devices.

Vision Website

🌐 Live Demo

- Developed **Vision**, a responsive **Learning Management System (LMS)** website with a clean interface, structured quiz sections, and smooth navigation for an engaging learning experience.
- Implemented responsive and user-friendly design to enable easy access to learning materials, articles, and educational content across devices.

Mini My Shop E-Commerce Website

🌐 Live Demo

- Built a responsive **e-commerce website** with product showcase, user-friendly navigation, and attractive shopping interface.
- Added interactive product sections, smooth browsing experience, and responsive layouts using HTML, CSS, JavaScript, and Bootstrap.

SKILLS

Languages : Python, JavaScript , HTML/CSS, SQL (MySQL)

Tools : VS Code, GitHub, Vercel, Netlify
