## SUMMARY

B.Tech Computer Science student with hands-on internship experience building responsive, user-centric web applications using Python and Django. Skilled in frontend and backend development, database design, debugging, and deployment. Secured 3rd place at InnovateX 2025 and independently built full-stack e-commerce and learning-management projects, with a strong foundation in MySQL, JavaScript, and modern web frameworks.

## TECHNICAL SKILLS

- Languages:** Python, JavaScript, HTML5, CSS3, SQL
- Frameworks & Libraries:** Django, Bootstrap, React.js
- Databases:** MySQL
- Tools & Platforms:** Git, GitHub, VS Code, Vercel, Netlify, Render
- Core Competencies:** Full-Stack Web Development, Responsive UI Design, Debugging, Project Deployment

## EXPERIENCE

- Full Stack Web Development Trainee (Python) — Barrownz Learning Academy** Sep 2025 – Feb 2026
- Completed a hands-on internship in full-stack web development using Python and Django, gaining practical exposure to website design, architecture, and deployment workflows.
  - Developed and contributed to multiple web-based projects, strengthening skills in frontend, backend, and responsive website creation.
  - Applied industry-relevant development practices and debugging techniques to implement real-world application features.

## PROJECTS

- Velora Shopping — Full-Stack E-Commerce Platform**  
[velora-22r9.onrender.com](https://velora-22r9.onrender.com)
- Built a full-stack e-commerce website using Django, Python, MySQL, HTML, CSS, JavaScript, and Bootstrap, featuring user authentication, product management, shopping cart, wishlist, and order management.
  - Designed a responsive, intuitive interface that improved usability and delivered a seamless shopping experience across desktop, tablet, and mobile devices.
- Vision — Learning Management System (LMS) Website**  
[vibhav4518.github.io/Vision](https://vibhav4518.github.io/Vision)
- Developed Vision, a responsive LMS website with a clean interface, structured quiz sections, and smooth navigation for an engaging learning experience.
  - Implemented responsive, user-friendly design to enable easy access to learning materials, articles, and educational content across devices.
- Mini My Shop — E-Commerce Website**  
[vibhav4518.github.io/mini\\_my\\_shop](https://vibhav4518.github.io/mini_my_shop)
- Built a responsive e-commerce website with product showcase, user-friendly navigation, and an attractive shopping interface.
  - Added interactive product sections and responsive layouts using HTML, CSS, JavaScript, and Bootstrap for a smooth browsing experience.

## EDUCATION

- B.Tech, Computer Science & Engineering — Sagar Institute of Technology and Management, Barabanki** 2023 – 2027
- Senior Secondary (Class XII), CBSE — Saraswati Vidya Mandir S.S. School, Rambagh, Basti, UP** 2023
- Secondary (Class X), CBSE — Saraswati Vidya Mandir S.S. School, Rambagh, Basti, UP** 2021

## CERTIFICATIONS & ACHIEVEMENTS

- 3rd Place — InnovateX 2025 Hackathon
- AI for All — AI Fundamentals Certification, Intel via Skill India Digital Hub
- Bootcamp Certificate in Frontend Web Development Using React.js and Lovable AI — Smarted
- Participation Certificate — AKTU AI Tech Confluence 2025 Hackathon (Powered by HCL GUVI)
- Participation Certificate — Triwizardathon by Microsoft Learn Student Ambassadors (MLSA)
